Loud Shirt Day 2009 - Grin and Wear it!

And that's exactly what we did!

Loud Shirt Day is a fundraising event to raise money for the Deaf! It's a special day across New Zealand where everyone proudly shows off their loudest, brightest and most flamboyant shirts. The team at Shop New Zealand proudly supports charities and definitely wanted in on this one. It's amazing what we all have hidden in our wardrobes.

CUSTOMER FEEDBACK

"One of the best online shopping experiences ever"

"I just wanted to say big thanks! I received my order today - I can't believe it only took 6 days to get to me! That really is a miracle! The gifts look beautiful and I am very happy to say I will be ordering from you again very soon! Thanks so much!"

I have designed some websites, and obviously used many. Just wanted to say whoever did your site needs praise.

Easy to use, ordering process simple, nicely laid out. Make's it a pleasure to use. If only all other sites were the same.
